

## **Late Breaking!**

We have a change in the agenda for our meeting on Sunday, July 28. Rich Proceda, who is organizing an Impeachment Group for this area, has agreed to come and speak about the group plans. This is a chance for a free-wheeling discussion of the pros and cons of starting the formal impeachment investigative process now, or putting it off until there is more of a public outcry. Don't miss it!

## **You Are Invited - Sunday, July 28, 5 pm - The Duck Club**

We are calling our meeting "Presidential Primary Prep (and Pot-Luck)" and that is exactly what the agenda is. You will have the opportunity to get a custom list of any area in the county, including your own street, to use to help educate voters about how to get registered, how to use the new Vote Centers, and hear THEIR concerns and why it is that only the Democratic candidates will best respond to those concerns.

Go to <https://act.indivisible.org/event/attend-local-actions/144171> to register and to get a complete description of the meeting and a map showing the location of the Duck Club. ***Be sure you enter by way of Campus Drive, just over the bridge from University Drive. There is NO entry from Michelson Drive!***

## **Can you volunteer?**

Not only do we always need volunteers to step up and help with events such as our meeting on July 28, when we will need a team to set up tables, register attendants, and help sign people up for their voter lists, but we need members for our permanent ADMINISTRATIVE CORE as well. That is a group who enjoy helping to organize and are willing to put in a little time meeting via Zoom on their phones or computers perhaps twice a month for an hour.

If we had enough volunteers, we could have an editor for each of our interest categories, such as Immigration, LGBTQ, Climate Change and State issues. Someone could be in charge of finding leaders and providing the materials for Pop Up Postcard and letter writing parties. We could use someone to work on publicity.

If we have a team, the load gets shared and is not overwhelming for just one or two people as happens now. And as we move closer to the Primary, we will find many people knocking on the Indivisible door, and wanting to take part in events and activities. Let's prepare NOW!
